Program Rationale: (Why is this program important?)

This Conference provides the most current research based strategies & best practices that will enhance instruction & student engagement. Access to experts in the educational field.

Program Impact: (How will the teachers and students benefit from this project?)

This unique conference provides opportunities for a variety of workshops that build knowledge & skills for developing engaging & rigorous classrooms, creating dynamic lessons that challenge students & motivate a desire for more. (See Attachments)

Program Evaluation Method: (How will you measure teacher and student success?)

Personally my success will be measured by my student's grow on assessments (including standard based, Accelerated Reading, Star Reading and FSA testing). Also, measure student engagement - independent growth. as a teacher my ability to consistently implement strategies effectively.

Program Timeline: (provide a project start date and completion date)

February 18-19, 2019 Conference dates
