

**Education Foundation of Lake County, Inc**  
**2018-19 CTE Grant Application**  
**Deadline to Apply: August 31, 2018**

**Basic Project Information**

Principal Name:	Dr. Rhonda Boone
School Name:	Mount Dora High School
Teacher Name(s):	Billye Kozlowski
CTE Program Name:	Digital Design
Grade levels:	9-12
Number of Students:	121
Number of Participating Teachers:	1
<b>Amount Requested:</b>	<b>\$2500</b>

**Would you consider this a multi-year project?** *(are funds to be used this year that support future efforts and greater impacts to students in subsequent years) If so, please outline multiyear goals and expected measurable metrics.*

This grant would provide 31 graphic design tablets for the graphic design lab and would be available for all students in the program. This is a multi-year (appx. 5 years) project that will affect students for several years, affecting approximately 600 students. Measurable metrics will be the Industry Certification results/passage rate each year. Competencies will be measured with mini assessments and the final outcome goal is 70% passage on the Adobe Industry Certification exam.

**Project Abstract** *(Describe in 200 words or less your project proposal and outcomes to be measured. Think of this as your elevator speech, what would I say about this project and its potential impact?)*

The potential impact of this project is that 121 students will be better equipped to pass the Adobe Industry Certification exam and receive an Acceleration credit for the class. The USB graphics tablet (a hardware input device used by digital artists) will give students the opportunity to gain hands on experience with a valuable tool used in the design industry. The use of this tool is a REQUIRED benchmark and objective of the program and is a required skill in the graphic design industry.

**Project Detail**

In the space below, please provide a detailed outline of your project activities. Please be sure to include the following: Goals and objectives of your project activities, expected timeline for project activities, when certification exams will be taken, etc.

Goals and Objective of project activities:

**Goal:** To teach students the use of a graphic tablet to advance their skills and enhance their practical experiences in computer generated arts and text, graphic design, graphic production, digital design skills and preparation of digital layouts and illustrations to keep pace with the latest digital design technologies and industry practices preparing them for a career and trade.

The goal is to also increase their competencies in preparation for success on the Industry Certification exams.

**Objective:** To prepare students for the Adobe Industry Certification

**Standards:**

18.0	Demonstrate proficiency in digital imaging
25.03	Create and edit various illustrations using vector software (e.g., line art, drawing basics, transforming/applying effects to objects, painting, type and type effects, layers).
28.07	Demonstrate proficiency in the use of a vector-based illustration program.
29.03	Demonstrate the ability to use image editing software.
36.04	Demonstrate increased proficiency in the use of tools and techniques in desktop/digital publishing software applications
41.0	Demonstrate proficiency in creating and manipulating digital images using software applications – the student will be able to:
41.01	Demonstrate proficiency using tools and techniques in raster-based software applications (e.g., layers, adjustments, filters, special effects, selections, masks, channels).
41.02	Demonstrate proficiency using tools and techniques in vector-based software applications (e.g., line art, drawing, transforming/applying effects to objects, painting, type and type effects, layers).

**Time Line:**

Term 1 – Introduce the software and basic skills.

Practical experience and projects to reinforce skills

Term 2 - Skill reinforcement through hands on experience using software tools

Term 3 – Enhanced projects incorporating the graphics tablet

Begin Industry Certification Preparation and testing

Term 4 - Industry Certification Preparation and testing
