## Education Foundation of Lake County, Inc 2018-19 CTE Grant Application Deadline to Apply: August 31, 2018

Basic Project Information			
	Principal Name:	Dr. Rhonda Boone	
	School Name:	Mount Dora High School	
	Teacher Name(s):	Jennifer Walloch, Timothy Hobbs	
	CTE Program Name:	Culinary Arts	
	Grade levels:	9-12	
	Number of Participating Teachers:	2	
	Amount Requested:	4137.01	

Would you consider this a multi-year project? (are funds to be used this year that support future efforts and greater impacts to students in subsequent years) If so, please outline multiyear goals and expected measurable metrics.

This will be a multi-year project that after the initial cost of the equipment there will be only the cost of the growing tonics and seeds for the following years. We will use the money saved from buying produce to purchase the supplies, making this project sustainable for years to come. We hope having students growing vegetables, fruits, herbs and micro-greens in class will increase food knowledge, food origin, and show students how food can be sustainable. We plan on having better attendance in class and an increase in student participation and desire for the hospitality industry.

**Project Abstract** (Describe in 200 words or less your project proposal and outcomes to be measured. Think of this as your elevator speech, what would I say about this project and its potential impact?)

## **Project Detail**

In the space below, please provide a detailed outline of your project activities. Please be sure to include the following: Goals and objectives of your project activities, expected timeline for project activities, when certification exams will be taken, etc.

We operate a student-run, self funded café three times per week that is opened to staff, parents of students, students, etc. We would love to have three towers (one for each classroom and one for an ESE classroom). The students would all work together to care for the plants and then prepare them for café service. Students would learn where their food comes from and how to maintain it. Exploring greenery and sustainability are part of our curriculum. We expect this project to continue throughout the years and expand according to our menus and what the students would like to grow. After attending the workshop at the district CTE training, we learned that having these towers increases student attendance. This in turn, increases certification passage rates and helps to improve our school grade. Certification also helps students get jobs in the real-world.

## **Outcome Measures** Outcomes (change/improvement in knowledge, behavior, skills scores) We are planning to see improvement in knowledge of food, food origins, and sustainability. Students will improve attendance in class thus having a direct impact on scores for the industry certifications. What certifications are offered through this CTE program? ServSafe Manager Protection, NRSFP Food Protection, Prostart Certification What is your target number of students receiving certifications that you are trying to reach? 240 Students Budget Please do not submit a budget item that does not fit a category below or one that has not been approved by the EFLC staff. It will only delay the processing of your application. NO GENERAL ADMINISTRATIVE OR INDIRECT CHARGES MAY BE APPLIED TO THIS GRANT. Allowable expenditures include: training/conferences, professional and technical services, classroom materials, computer software, computer hardware, other equipment, program supplies, and printing Non-Allowable expenditures include: administrative expenses, capital improvements, support of interscholastic athletics, refreshments, transportation, food items, decorative items, awards for outstanding service, and the entertainment of dignitaries. Category of Category of Expenditure Amount Expenditure Related Activity Professional Contracted Workers (i.e. stipend workers, trainers, work for fee etc.) Program supplies 4137.01 Classroom Materials **Grow Towers** Computer Software Computer Hardware\* Other Equipment (not computers) Printing Tuition/Training/Conferences/Admission Room Rental Fees **TOTALS** 4137.01 Key Terms: Category of expenditure (Short Related Activity (What activity does this support description for categories of expenses) in the grant? i.e. classroom project, training,

(Request must be approved by all three departments before being submitted to the Foundation).

Requesting party has read and agrees with the funding policies of the Education	onal Foundation.
