<b>Project Detail</b>		

**Other Funding Sources:** Our PTO already donated funds to support our 2' All-State Elementary Choir students (very proud of that!). We also had a donation for me to start a music club with some basic needs. No other funds have been found.

**Program Rationale:** (Why is this program important?)  
This amazing title I school is full of students who have never had music in school due to cuts years ago. I want them to experience music to its fullest and get rhythm in their lives.

**Program Impact:** (How will the teachers and students benefit from this project?)  
Every student will have the opportunity to play the wide variety of instruments listed, experiencing music and rhythm with hands on activities.

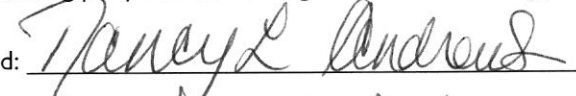

**Program Evaluation Method:** (How will you measure teacher and student success?)  
Students will learn the names of each instrument and the various sounds they make. They will use these sounds not only to play music but to enhance writing and reading activities as well.

**Program Timeline:** (provide a project start date and completion date)  
These instruments will be used immediately upon arrival and will continue to be used and enjoyed for years to come.
