

Request for Funding

- All funds must be used by May 1, 2019. A final program evaluation must be submitted by May 15, 2019. If the applicant misses the deadline but submits a final grant report by September 30th, they will be eligible to apply after one academic year. Applicants that do not submit a final grant report by the deadline of September 30th will not be considered for future funding.
 - (Requests will not be accepted without the requesting parties signature)*

Please complete all sections.

Project Detail	
Other Funding Sources: CAP Funds (If Available)	
Program Rationale: (Why is this program important?)	
we have been named one of Florida's Finest FFA Chapters Award (out of 3700 High School FFA Chapters, we are one these awards. Our Agriculture Studies classes (219 studen volunteer activities throughout our community. We do not animals through a video, textbook or if available, we tow o Currently, we have been using my (the teacher's) old horse our large animals in this trailer, nor can we haul anything we horticulture (plant) program. Recently, we sold over 800 b However, we had to pay a hauler to move the bushes and concessions at the Zellwood tractor pulls, volunteer for the Run, work with and voluntarily set up elementary school far at various Agriculture awareness events in our community.	e of 35 honored.) No other Lake County School has received ats) work with livestock, plants, and provide numerous it have a farm or land lab. Therefore, our classes must see our animals in for the day and then take them back home. The trailer which is in terrible shape. We can no longer haule with any weight. In addition, we are trying to build our blueberry bushes at the Mount Dora Blueberry Festival. Plants. In addition, we serve the community by manning the me Mount Dora 1/2 Marathon and Mount Dora Twilight 5K arms (Sorrento Elementary) as well as sponsor and volunteer. This includes us bringing grills, tables, food, etc. which we see a school vehicle to haul the trailer. However, that will be
funds.	
Program Impact: (How will the teachers and students be	enefit from this project?)
other activities instead of hiring a hauler, relying on parents	nt, plants, supplies, etc. to various events, contests, fairs, and s and/or students, and/or not participating because we cannot
get our equipment to said events.	
Program Evaluation Method: (How will you measure to	eacher and student success!)
The success will be measured by the continued inve	olvement that our Agriculture program participates in
within the community as well as affording our stude agricultural, community, and scholastic events. Program Timeline: (provide a project start date and con The trailer is needed immediately and will be put into actio	ents opportunities to participate in educational, mpletion date) on upon its purchase. It will become the property of Mount
