

College Selection:

Dream: Your test scores, GPA, and/or class rank are below those the majority of accepted students at these schools. It would take something compelling on your application to override those odds.

Match: Your test scores, GPA, and/or class rank are below those of the majority of accepted students or at least fall within a realistic range. You have a resonable chance (typically better than 50-50) for admission.

Safety: Your test scores, GPA, and/or class rank typically fall above the 75th percentile of admitted schools and the school accepts more than 50% of it's applicants You will amost certainly gain admission.

	Dream:	Match:	Safety:
1) Where would your ideal college be located? In-state or out-of-state			
2) How important is the location to you? Very important, important, or not important. Pick One.			
3) In what kind of setting is the college? Rural, suburban, urban			
4) How big would your ideal college be? Large (>10,000) Medium (5,000-10,000) or Small (<5,000). Pick one.			
5) How important is the college's size to you? Very Important, Important, or Not Important.			
6) What services are availble on campus? (ex. Tutoring, Career Counseling, Minority and Academic Student Services)			
7) Where do the majority of students live? On-Campus, Off-Campus, At Home.
